

NOV 20 1956

SUBJECT: U. S. Patent Application Serial No. 549,086 - William P. Friedman - filed 11 August 1944

TO: Chief Signal Officer
ATTN: Mr. Lawrence Glassman
Chief, Patents Procurement Branch

1. We recently received from the U. S. Patent Office the inclosed Notice of Allowability in connection with the above identified patent application.

2. The right to apply for compensation for damage caused by a secrecy order and/or for use of the invention by the Government begins at the time the Notice of Allowability issues. Therefore, the subject application should be reviewed to determine whether or not the secrecy order may be rescinded.

FOR THE ARMED SERVICES PATENT ADVISORY BOARD:

1 Incl
Notice of
Allowability
