

Dear Bill:

It was nice to hear your voice over the phone yesterday, and I appreciated very much that you called me up.

You now plan to: 1/Take a mud pack cure in Abano Terme /?/. This I think could do you some good. I have friends, who have profited from this kind of treatment at the above spa. But I think you should take 3 weeks, not just 2.

2/Visit us at Sandhamn. This we should like very much, especially as you told me that you would not mind the cramped sleeping quarters / just like a train compartment, but you would have one each, Elizebeth and yourself, so you would have "lowers" only!/. We have a living room about the same size as that at Henton, and a large, partly covered terrace. On top of this 15 acres of woodland. Plus 450 feet of beach, but the water is cold.

I am going to act on your suggestion, and bring a tape recorder to Sandhamn. Also some notes and letters.

The trip to Sandhamn is very nice, as I told you, provided of course that the weather is good. It takes about 3 hours from Stockholm to Sandhamn, and the boat should leave at 10 a.m. from the landing stage in front of the Grand Hotel.

We now hope to hear from you in good time, so that we could arrange for a proper reception!

Affectionate regards from us both to Elizebeth and your good self,
Sincerely 

We leave in an hours time, direction north.
