Goodbaum July 7 66.

Dear Elizabeth and Will,
It is a long time since we heard
from each other, and we do hope
that this will find you both in
a good shape! We - Benie & myself -
cannot complain, although we have
some rather strenuous months
behind us. Our new apartment was
due to be completed by April 1st, so
we had sold our house in Zug
and had emptied it by that
date. But - our new apartment
was not 100% ready for us when
we left Minusio [Locarno] on June
20 - we could however place our
furniture and belongings there just
before we left. - And in September
we hope to be able to get every-
thing ship-shape. We look forward
to that date and hope that we
shall be allowed to our new house
and the wonderful locality, as many
more years as possible. - We do find
the Italian Switzerland a very fine
place, - especially the nature and the
climate. And another advantage
is that it takes 3 to 2 1/2 hours

only to get to you from there.

as I have probably already
told you - we sold our old shop
and have now moved to our
new factory in Steinhansen
- 3 miles from the a.r. station
in Zug. I will send you a picture
of the new building when I get
some copies.

This summer all our children
and grandchildren will congregate
as Karl Wilhelm will be 50 at
the end of July. Margareta & Ingrid
with their children are at present
in Menton, & with his family is
due to arrive here on the 16th.
We expect to spend August as
usual in Fylgia.

We do wish we could have your
visit in Minneo and in
Steinhansen; we feel sure that
you would have enjoyed the
first and have found the second
quite interesting!

Adieu with our very best regards
and love,

Affectionately

Amie & Louis -
