Dear Elizabeth,

I have saved Annies birthday book, and I see from it that you will have your birthday anniversary on the 26th. I want to wish you from the bottom of my heart good health, and may also still improve so that you may get both of you - peace of mind and quiet days together. Ingrid is leaving for the U.S. the day after tomorrow, and I will then - when I leave for Switzerland on the 2nd of September - be left to my own devices. I do not know yet how I shall be able to arrange my daily life, but I do hope that there will be

by and by some reasonable
solution.

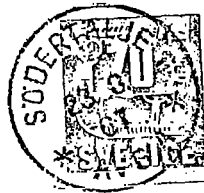

We have had a very fine
summer, the really best good
summer since 1959.

Now I do hope that this
will find Bill and yourself
in good shape, and with
my love I remain

Affectionately

Grandpa

PKS.
