

Dec 30, 1967

Dear Elizabeth and Bill,  
It was very kind of you to send  
me your telegram at Xmas-time,  
and I thank you most heartily  
for it. I was at Xmas with  
Carl Wilhelm and his family, but  
the telegram was telephoned to  
me from the telegraph office, so  
I got it in time.

I do hope that you are both in  
good health again, and my wishes  
for your new year are that you  
may keep fit so that you can  
enjoy life.

I will stay with Summar's until  
the 5th of January, and then  
leave for Switzerland on the 7th.  
I talked to Sture Nyberg yesterday,  
there are a lot of things brewing

REF ID: A2263413  
in our help want to be  
there to follow and to same  
extent direct the work.

We have had a real winter at  
Kunastine and afterwards also -  
plenty of snow and quite cold.

I had an Xmas letter from  
Mabel and Stu - they wrote  
that they had enjoyed a visit  
with you. They seem to be  
very satisfied with their quiet  
life in Florida.

I do hope you are both  
well now!

Affectionately Yours,
