

BORIS HAGELIN

Munusio, April 24, 69.

Dear Elizabeth and Bill,
 Many thanks for your kind letter
 and also for the package with
 all the notes you had made for
 my biography. It will be a great
 help to me. - I do have the tapes.
 Do you want a copy of your originals?
 I was sorry to hear that Bill's health
 has again been troublesome, and I
 can only sincerely hope that it
 will improve soon again.
 I myself am in fine health, the
 long trip has not left any ~~so~~ out
 bad effects - I am going to marry
 the some time in May.
 You will certainly understand that
 it has been, rather difficult time
 to me since Mimi passed away,
 and to have an employee to
 take care of me also poses a
 lot of problems.
 Also I have now had ample
 opportunities to learn to know
 each other, and I feel sure

That way choice is a good one.
 My way of life ^{during summertime} will not be changed.
 In the second half of June we
 shall be going to Sweden, and
 spend the summer at Sundsö,
 Sandhamn and Tylöså.
 Here in Switzerland there will be
 the change that I shall be much
 more in Zug than since Anne &
 I moved to Minusio. I will have
 a new apartment 16 Weinbergstrasse
 where I have built an apartment-
 house (and am building a second
 one, both on lots which I have
 bought a number of years ago).
 My new home there will be ready
 in about a month's time, and I will
 use the Menton furniture for it.
 In my Zug shop we have more work
 now than ever before. Our new
 things we have now developed a
 device for voice-crypto, including a
 suitable radio transceiver.
 Well, you see that I still keep fairly
 busy. With affectionate regards, in
 which Cha joins me, I am as
 16A always your very old friend Herb.
