

BORIS HAGELIN

Zug, Sept. 18, 1969.

Dear Will,

To your impending birthday  
Idea and myself want to  
send you our very best  
wishes. We do hope you keep  
going as well as possible,  
although the world is not.  
We are now back in Switzer-  
land since the 6th inst.  
We had an exceptionally fine  
summer - The weather man  
says there will not be a  
summer like that for at  
least a hundred years.  
We have now a new  
apartment in Zug, not far  
from our old house, on  
the Weindupstasse. This will  
now be our real home,  
although we will keep the

REF ID: A2263434  
our business, and spend  
the week-ends in that warmer  
climate.

Our crypto business is booming,  
and we are now quite deeply  
committed to electronic  
devices.

We keep fit and do a lot  
of travelling. If all goes well  
we expect to visit you in  
February 1970 when he will be  
50, - and we do hope to see  
you and Elizabeth also.

With our very best wishes,

Affectionately

Slsa and John.
