#259 (Part 1)^a

Answer to your wire #381^b (re the application of chemical secret intelligence fund). We would like to have an appropriation of 500 Yen per month for chemical secret intelligence funds.

1. The intricacies of this application.

During the early winter of last year after consultation with Colonel HAYASHI we made application for funds for (?investigation of local dyestuffs?), and Colonel HAYASHI also made representations along this line. But in spite of this we received no word from you, also we are again seeking your opinion regarding this matter.
