Chief, Signal Plans & Operations Division
Department of the Army
Office of the Chief Signal Officer
Washington 25, D. C.

Dear Sir,

The materials forwarded with your letter of 5 June 1951, are a valuable addition to our information on the Gretener telewriter and cryptographic devices. We were particularly interested in the fact that the Air Force has purchased some of the telewriters. Arrangements have been made for our engineers to examine the Air Force equipments before deciding whether we should purchase the cryptographic attachment.

Sincerely,

CC: AFSA-11 (3)
