MEMORANDUM FOR THE MEMBERS OF USCIB/USCIBEC:

Subject: Revision of USCIB File Designations.

1. The enclosed revision of USCIB File Designations has been prepared to supplant the existing system, which, through passage of time, has become unwieldy and ineffective.
2. The flexibility of this revised system is expected to permit a better categorization of Board papers, and it is hoped that the members will find it more useful and efficient.
3. The effective date for initiation of the enclosed system is 1 September 1953.

RUFUS L. TAYLOR
Captain, U. S. Navy
Executive Secretary, USCIB
