MEMORANDUM FOR THE CHIEF, SECURITY CONTROL DIVISION

SUBJECT: Clearance for Mr. Thomas Reeves

1. On 6 November 1952, I requested that clearance status be ascertained for a number of persons we were considering for membership on the Advisory Board or panels thereof. Among the names, the second one listed, was as follows:

REEVES, Thomas, Mr.

DOB: No information available.

POB: No information available.

Present Address: General Manager, Electronics Division,  
General Electric Company, Syracuse, N. Y.

2. Attached hereto is a copy of a letter received from the above mentioned candidate giving the correct spelling of his name and other data. I regret that who ever nominated General Rives did not give me the correct spelling of his name.

3. You will note that General Rives states that he has TOP SECRET, as well as, "Q" clearances and refers to the "Central Index". He also gives additional information which should be useful to you in locating a Personal History Statement as well as fingerprints.

4. What I would like to do is obtain a copy of the Personal History Statement and send it to him to bring it up to date with whatever additional information is necessary.

5. We are advising General Rives that we will send him a copy of a previous PHS if we can locate one and then ask him merely to bring it up to date.
