Dear Mr. Corwith:

In reference to your recently submitted Travel Voucher, it has been called to my attention that you wrote "return transportation being arranged at no expense to Govt" on the back of the copy of your Transportation Request. Our transportation people have to know the specifics. If you turned in the return half of your plane ticket, or if you bought a train ticket yourself, or even if you returned by private means, they feel there must be an additional ticket or stub. If you still have any such tickets or stubs that will help to complete the picture for the transportation people, please send them in the inclosed envelope so that your Voucher can be processed.

I am sorry to be causing you this inconvenience.

Sincerely,

I. T. McDONALD
