

Dr. Marshall H. Stone
 Department of Mathematics
 The University of Chicago
 Chicago 37, Illinois

Dear Dr. Stone:

Receipt of your letter of 18 June 1952 is acknowledged and I wish to thank you for keeping me informed as to your future greater availability for special studies.

The advisory group we organized a little over a year ago has completed its job and we are giving some consideration to the advisability of continuing a similar arrangement in the future. Should it develop that you could be of assistance to us in connection with any special mathematical studies to be conducted, I will write you.

With cordial greetings,

Sincerely,

WILLIAM F. FRIEDMAN
