Dear Bob:

The Canadian Liaison Officer, under instructions from his home authorities, has asked us for a copy of the Report of the Special Study Group under your chairmanship.

I am writing to ask your opinion and recommendation as to the advisability of making a copy available to Canada. If Canada gets a copy, then should we not also furnish a copy to U.K. Comint authorities?

With best wishes for the Holiday Season, I am,

Sincerely,

WILLIAM F. FRIEDMAN
