Dear Dr. McMillan:

General Canine has asked me to tell you how pleased he is with your acceptance of his invitation to membership on the Mathematics Panel of the National Security Agency Scientific Advisory Board. I thank you, too, for completing the onerous task of filling out the required forms.

As you may know, the processing required for granting access to National Security Agency matters requires much time. In your case, the processing will be initiated immediately and you will be advised of the results thereof in due time.

On behalf of General Canine, I wish to thank you for your acceptance, since it is indicative of your interest in and your estimate of the importance of the problems with which we must contend in the interest of the national defense.

Sincerely,

WILLIAM F. FRIEDMAN
