REMARKS

1. I have selected and checked a few items on the attached list, which I'd like to see for reference purposes in connection with my contract to prepare a series of lectures.

2. On 30 June 1959 certain material was sent to Archives, via Mr. Gilliam, whose receipt I hold. There were in all eleven items as per attached copy I made from the original receipt. I have checked two items I'd like to see. If they cannot be sent to my home, they could be sent to NSS, c/o Mrs. Vesper & I could look them over there & return them. Thanks.
