Professor Stewart S. Czirna
 Chairman, Department of Mathematics
 University of Illinois
 Urbana, Illinois

Dear Stewart:

I have both of your letters, 4 April and 7 April, to acknowledge. Please be assured that we are not in any great rush to receive back the completed Form 398 plus supplement. I am glad to note that this sort of administrative headache does not irritate you but on the contrary constitutes a source of pleasure. This is a rather unusual situation, in my experience.

I note what you say about your impending visit and will be looking forward to seeing you on Monday, 20 April.

Sincerely,

WILLIAM F. FRIEDMAN
 Special Assistant
