Director, Princeton RCA Laboratories

Dear Dr. Engstrom:

We had hoped that by this time you would have had found a visit to Washington necessary for your own affairs and that during the course of it we might have a chat. I have just learned, quite by accident, that you are planning to be in Washington on 2 April for an RDS meeting and therefore am writing to say that if you can possibly spare about an hour during that day, I would appreciate it if you would pay us a visit, so that we could tell you more about our Scientific Advisory Board and our reasons for wanting you to become a member. I append my telephone number.

Sincerely,

WILLIAM F. FRIEDMAN
