Dear Larry:

When your letter of 12 March arrived I sent it to General Canine and his Deputies with the following notation attached: "Prepare yourselves to see me appear one of these days equipped with long whiskers - as the 'elder statesman' of the Comint field." General Canine wrote the following: "Last will be OK just so long as you don't believe your press reports."

Well I thank you anyhow for a very courteous note and I will try to take good care of myself for reasons in addition to the one you give in the penultimate sentence of your letter.

Reciprocating your kind personal regards, I am,

Sincerely,

WILLIAM F. FRIEDMAN  
 Special Assistant
